Karen: Glad Jenna is feeling better. What time is your meeting with that guy? I could drop you and then take Jenna for her appt.
me: I told him we could meet at Breadwinner's, but haven't yet heard from him
Karen: OK, I washed the clothes in your suitcase and will bring that back when I get Jenna for her checkup. Ask her if she wants to go about 3?
me: Looks like she's still sleeping, I'll wake her up in about 30 minutes
Karen: OK, yes I will be over there about 3:15.
